I know that Militant Christianity is two words that Christians don't hear used together from those they've chosen to lead them. If those you've chosen to lead you, including leaders of leaders, aren't teaching you to war, then you're being led astray.

Those rare few of you who are being taught spiritual warfare, must also seek leaders that are teaching war against physical threats.

Many are probably saying, but Al, we're supposed to turn the other cheek and accept whatever anyone does to us, including people burning down our homes and murdering us and our families. We can't fight back because killing is a sin... right?

Nonsense! The correct translation for the 6th commandment in Exodus 20 says that we can't murder. Murder and killing mean different things to God. There's a teaching in our website's archive called "Can Christians Kill?" which covers in great detail this subject about Christian law enforcement officers and Christian soldiers being allowed by God to enforce laws (resisting evil), including killing. This includes civilians.

To expand on this teaching let's look at what's happening today. Christians are experiencing a rapid rise across the world from attacks from muslims, special interest groups (i.e. homosexuals), governments and the media.

The US media falls silent on the holocaust against Christians by muslims across the globe but has no trouble highlighting a Christian business that refuses to pay for employees to abort their fetuses!

"Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!" Isaiah 5:20

Persecution is what we know true Christians can expect, "Yes, and all who desire to live godly in Christ Jesus will suffer persecution" (2 Timothy 3:12), but it doesn't say we are to keep our mouths shut against unrighteousness or to keep our hands in our pockets when physically attacked!

Did God ask guys like Abraham, Moses, Joshua and Gideon to sit back and do nothing when it came to physical conflict against evil?

Of course not, and so it is with us.

Christian men, women and children burned alive by muslims in Nigeria

You won't see this picture on CNN, because they're not interested in the holocaust of Christians by muslims. I put this picture here to shock Christians into the reality of war that is against us and our brothers and sisters around the world.

Here's a quote from Christian General James Green... "Pleasure seeking, pacifistic Christians are like lambs who are tricked by satan and false doctrines to drop their guard and lie down in a false peace with evil, allowing themselves to be DEVOURED!

One reason this happens is because too many Christians wrongly believe that to manifest God's love they must be weak, pacifistic and inoffensive. While in reality, God's love is an active, aggressive force that will inevitably clash with sin, both in us and around us. True peace can only be obtained as a result of the power of God conquering the works of darkness in our lives. The love of God is what motivates the true Christian to war against Satan for the souls of men.

The "peace" which apathetic, pacifistic Christians claim to have is a deception, a false peace, which comes as a result of making a treaty with the enemy. This false peace allows Christians to live after their own desires and "enjoy the good life" as multitudes of souls pour into Hell. True love will motivate us to action, it will motivate us to lay down our lives to destroy evil.

The streets of the world are satan's territory. It is in these places that we confront the enemy, not in our easy chairs with the TV on or in our expensive church buildings. Church buildings should be places where disciples, soldiers and leaders are trained to carry out the great commission, but instead they have become spiritual brothels where God's people go to be entertained and prostitute themselves to every worldly thing imaginable. How far has Christianity strayed from the true desires of God's heart!

The Bible tells us to be sober and vigilant because Satan, our adversary, roams around as a lion, seeking whom he may devour. (1 Peter 5:8-9) In this same portion of Scripture, we are also commanded to RESIST Satan. James 4:7, "Submit yourselves therefore to God. Resist the devil (not ignore him) and he will flee from you." This word "resist" in the Greek is defined as "to fight against, to exert oneself against, to counteract or defeat, to withstand the force or effect of, to EXERT FORCE IN OPPOSITION OF!" So we see that to resist is not just a passive turning away of the head, but it is actually AGGRESSIVE ACTION AGAINST OPPOSITION.

There can never be peace on earth as long as satan is free to kill, steal and destroy. The Bible plainly tells us that the world will have peace, but only after Satan is bound up and cast into the lake of fire. There is no scripture in the entire Old or New Testaments which tells us that there will be a peaceful entrance into eternal life. In fact, from Genesis to Revelation the Bible is full of military examples, analogies and terminology. The true peace of God can only be secured by making a stand and going to war against the enemy. If you are floating around inside of a peaceful, passive bubble while claiming to be a follower of Jesus, you had better wake up because you have swallowed the devil's lie. While denominations continue to multiply, living selfishly, squabbling over petty doctrines and exhibiting their religious works, the true Body of Christ will carry on its offensive against Satan's kingdom, destroying the works of darkness and setting the captives free. Why wait any longer, join the ranks of God's army today. Get MILITANT against sin, get AGGRESSIVE against evil, do something with your life that will really count." General James Green

"Then He (Jesus) said to them, "But now, he who has a money bag, let him take it, and likewise a knapsack; and he who has no sword, let him sell his garment and buy one." Luke 22:36

"Train hard, fight easy" is an old military slogan which fits for physical and spiritual warfare. Prepare yourself and walk with God. Good Hunting!
