

There are three distinctive parts of our Father's will... one of them is the law.

There are Biblical laws that make up the foundation and order of all creation... physical and spiritual.

God's law is unyielding... it does not alter.

He does not break His own principles.

We may consider many things to be a mystery or a miracle, yet to God, they are only His laws and principles in action.

Simplistically put, God's law is this:

“Whatsoever a man soweth, that shall he also reap.” Galatians 6:7.

God's law of return... such as a boomerang being thrown out... inevitably returns. The boomerang returns to bring blessing or to bring punishment.

For instance... When a person commits a sin or a crime, even a moral crime, yet doesn't "get caught", they may believe they have won. Yet, the boomerang they have thrown returns to them one day, with punishment in some form attached.

This law has nothing to do with God's feeling or judgment... it is a fixed law that will proceed.

Notice how this law worked with David, God's anointed one, in **2 Samuel 12:1-15**. David killed Uriah, in order to marry his unfaithful wife Bathsheba (**2 Samuel 11**).

Even though David's sin was forgiven (**Chap. 12.v.13.**), consequences still came into effect, with an increase of seven judgements coming back on him and others !!

Increase is another Boomerang law of God.

All of creation is based on the principle of increase... such as a farmer planting a small seed, producing a huge increase or return.

Whatever we do, sets in motion forces which not only return but increases before they do!

It must happen.....It's the law!!!!

Looking at the boomerang now this way... a person let's say throws a tithing-boomerang... they will and must receive not only a return but an increase come back to them!!!

God's Boomerang law, as we saw with David, also has our boomerang's return affecting others, good or bad.

In addition, another Boomerang law of God is...

the longer one is willing to wait for their reward, the law of increase continues to build or add on, producing a greater reward !

Jesus told us to **“lay up for yourselves treasures in heaven” (Mathew 6:20).**

Hypocrites want and receive their rewards almost instantly, which are small and from man, not God.

“Take heed that you do not do your charitable deeds before men, to be seen by them. Otherwise you have no reward from your Father in heaven. ²Therefore, when you do a charitable deed, do not sound a trumpet before you as the hypocrites do in the synagogues and in the streets, that they may have glory from men. Assuredly, I say to you, they have their reward” (Matthew 6:1-2).

Remember...God's Boomerang Law is impersonal and unchangeable.

The goodness of God's Boomerang Law is that His law prompts us to be right and tries to correct us when we do wrong.

Upon examination, we therefore want to throw an abundance of proper boomerangs and wait for the increased reward on these boomerangs.

We want to throw as few boomerangs of sin as possible and repent of all sin quickly, to decrease the danger when these boomerangs and their effects on us return. The boomerangs will return sooner or later to affect us and those around us in some way or another, good or bad!

It's the law!!!! Let's throw the right ones and reap the rewards of God's laws!
