## Hidden Sins

**D**o you have hidden sins?

Many people have hidden sins in the church. We can't take sin lightly because sin will find us out, as we can't hide anything from God!

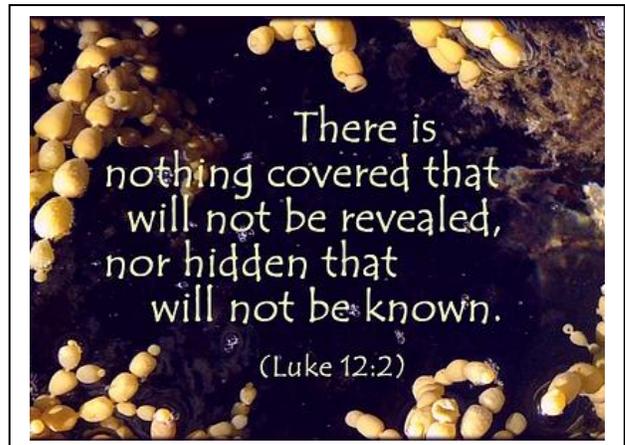

A few years ago, Al and I were in Hollywood California and attended the church of Bishop "Earthquake" Kelley. In his book "Bound to Lose, Destined to Win" he had an amazing experience with God, some of which I'd like to share. Years ago he died and went to heaven, where he received very important messages for the church.

Quote from his book:

"All of my life I had heard about this place and now I was finally here. God's presence was not only all around me but in me. The beauty is spectacular, and there is an overflow of abundant peace and joy. As I continued my tour, I came upon a river that sparkled and shimmered like liquid diamonds. The color of the water reminded me of expensive stained glass. The soft waves of the river seemed to dance to the music.

I came upon a group of children of all different ages who were running, jumping and playing. As I stood and watched these children, I heard a voice say: "You are wondering who those children are." It was clear that the voice responded to my thoughts. I replied: "Yes Lord I wonder who they are". "These children died from diseases, wars, accidents, murders and other things that happen to children. Some died from stillbirths and others died from miscarriages. Then He pointed out to another group of children and said: "See those children? I had a plan for their lives. I had things for them to do. But because of the selfishness of sin and the hardness of people's hearts, these children were aborted and sent back to me".

He pointed out, with the same trembling voice said, "I sent these children to the homes of so-called Christians. I sent these children for ministry. I sent them for exhortation. I send them to help the world. But their parents listened to the voice of the world. They listened to wrong counsel. They thought they had financial problems and could not afford these children. They had secret abortions thinking that nobody would find out. But nothing is hidden from me, I see everything".

"Go back and tell the people that words have meaning. Tell them that the world has been hiding behind words from the beginning. Instead of saying baby, they call it fetus. Instead of saying sin, they call it diseases. Warn them that the church and the world have bought into deception. They have taken the truth of My Word and turned it into a lie. Warn my church not to fall for these lies. Warn them of the hardness of their hearts. Tell them that abortions among those in my church must stop. Warn doctors who claim to be Christians, but perform abortions, that they are terrorists against the unborn".

He continued warning: "There are others who deviated from My Word. They no longer seek after Me because they want to be accepted by unholy social crowds where there are no moral

standards. Many have trivialized My Word and told themselves what they are doing is not wrong. The kingdom of darkness is after their soul”

“There are people in the church, who don’t want to show any untimely blemishes of their bodies. They will do anything to stay young. They idolize themselves and the spirit behind the worship of self is the kingdom of darkness. My church is like someone with a broken leg. Instead of having it fixed, they have decided to leave it alone. The more they tried to walk, the worse it becomes. It is the same way with My church. There is a spiritual dislocation of My people from Me. Sin has caused a fractured relationship and like any broken bone, it will continue to cause trouble if it is not fixed”.

He reminded me of **Romans 6: 1-2** which says, **“Shall we continue in sin that the grace may abound? Certainly not! How shall we who died to sin live any longer in it?”**

The Lord continued, “If My people don’t repent of this broken bone of sin, it will lead to amputation. This means that the people will be out from Me. Tell them to repent of witchcraft, rebellion, unforgiveness, and hidden lifestyle of lust, fornication and adultery. There are ministers who are planning to divorce their wives. Some think they need another wife who can help them further their ministry. Some already decided upon another wife. They are hoping their wives will die so they can marry another woman. Until these ministers repent, their ministry will not go forward. Some will die in their sins and their diseases because they have not repented.”

“There are ministers who are committing adultery and engaging in homosexuality. Some have a wife and some lovers on their side. I have given them chances to repent and they refuse. They are not serving Me. They are serving satan. Tell them to repent, or I will remove My breath from their bodies and death will come upon them. Some will fall dead behind their pulpits. Many will see their lifeless bodies hit the floors. Tell them to repent of their lustful lifestyles! Tell them that many of them are not taking Me seriously by living any way they please.”

“Warn ministers who are preaching only for money and fame that they will be judged. Tell them I am removing My hand of mercy from them. Some have set themselves up for ministry that is not of Me. Warn them to repent. Tell the hypocrites and the lying preachers and prophets to repent. Warn them that they have a place in hell. I have given all of these people a chance to repent. Tell them if they don’t repent, their shame will rock the planet. Go back and tell my church that people are holding grudges against Me because I have not given them things they wanted. Some have cursed Me in their hearts because I didn’t answer them as quickly as they wanted. Some blamed Me that they lost their job or their mother died. I am being blamed because people are not married. They are saying this is My fault that they are alone. Some believed I allowed men to rape them. They will neither praise nor worship Me. They say to Me, “Where were you when I needed you?” Until they repent, they cannot be blessed. Nobody can receive from Me as long as they are holding things against Me.”

“Many of my people do not believe that I see what they do. And many believe that they can live in their sinful lifestyle and enter My holy city. They will not! Tell them unless they repent, sickness and disease will not leave their bodies. Once cursed by Me, no prayer can help them because their sins have placed them under this curse. Unless they repent, they will die with their sicknesses. There are people who have listened to My voice and repented on their deathbeds. Many who died, people thought they died lost, but they are not in hell. They repented before they drew their last breath and now they are with Me. Some who thought they are saved when they died are not with Me. They are lost in the torments of hell because they did not repent of their hidden sins.” “The Lord showed me a vision of people burning in hell’s fire; I heard the screams and saw the flames. The fire was so hot that I could feel the heat. I saw the looks of torment on their faces and I knew that many of these were from the churches that preached the messages only to satisfy the flesh. I felt terrible grief for these families who are lost in hell for eternity”.

Do you have hidden sins?

Repent before is too late; you can’t hide anything from God. Don’t play with your spiritual life; don’t play with God.

In **Hebrews 12: 14** the Lord says: **“Strive to live in peace with everybody and pursue that consecration and holiness without which no one will [ever] see the Lord”.**
