THE COURT OF HEAVEN

Did you know that any injustice that happened to you in your life can be taken to the courts of heaven?

Just like we have courts of justice here on earth we can go in the Spirit to bring our case to the court of heaven.

If you have repeatedly been robbed or cheated by the devil for most of your life, you can go before the throne of God, present your case, with Jesus as your lawyer.

Great isn't it? How can you do this?

Pray that God will open your eyes in the Spirit to see the mystery of His Word and His Glory. In the Glory there is no time and space and there is no distance in the glory. Before you go to the Throne of God make sure you have repented of any sin, as you spend time with Him. Soak or be still with some worship music and ask the Holy Spirit to take you and see in the Spirit. Ask God to give you this ability. You'll see pictures that appear in your mind, assisted by the Holy Spirit, of what's taking place in heaven's court.

When you go to the court of heaven you can see the Judge – God the Father on His chair/throne, Jesus is your lawyer and satan (or his advocate) as the accuser. You can present your case before God the Father and as you repent of all your specific sins you can have the confidence that you will win! The accuser of the brethren will always be there saying that you deserve punishment or can be attacked because you're a sinner, but you can argue your case covered with the Blood of Jesus and repentance which brings forgiveness or justification of your case.

Jesus will declare that you are innocent before the court.

Job argued his case in the courts of heaven, pleading to go straight to the Judge of Heaven and earth: **“But I desire to speak to the Almighty and to argue my case with God” Job 13:3.** And Job continues saying: **“Even though he kills me, I'll trust him. At least I'll be able to argue my case to His face”.**

“God stands up to open heaven's court...” Psalm 82: 1

Most Christians lose battles on earth because they don't have the knowledge of showing up to the courts of Heaven- they lose by default.

Hosea 4:6 states: “My people are destroyed for lack of knowledge.” We need to get revelation knowledge of God, knowledge of the glory that can unlock the realms of Heaven.

The accuser satan accuses the children of God day and night: **“Then I heard a loud voice in heaven, saying, “Now the salvation, and the power, and the kingdom (dominion, reign) of our God, and the authority of His Christ have come; for the accuser of our brothers and sisters has been thrown down, he who accuses them and keeps bringing charges against them before our God day and night.” Revelation 12:10.**

Just like a slimy lawyer, the devil is a legalist and tries to find a loophole. And he will find a loophole if you have not repented of areas that he can use against you. You must ask God to forgive you of all sin and cleanse you with the Blood of Jesus, before you go to the court of heaven.

Here's a testimony given to me of a heavenly court case of a brother who the enemy stole from him all of his life: jobs, possessions, relationships, etc. As he went to the court of heaven, God the Father was the judge sitting on the throne, Jesus was his advocate and the devil's advocate was the accuser. This brother repented and covered himself with the blood of Jesus as he presented his case before the Lord. He said, "Before I went to court I repented and forgave all who had hurt me and wronged me and asked God to forgive them and me for all my sins". The brother pleaded his case, smashing his fist on the table in front of him to emphasise the crimes that had been done against him.

The accuser angrily said, "I have a right to steal from him, as he was a fornicator and a liar". Jesus said, "It's all covered by My Blood. Release all back to him". The accuser said, "No".

Then the Judge spoke. Father Judge said to the court and to the brother, "All funds are released. All dry river beds now to flow with milk and honey. Joy, love, peace and harmony is restored. Restlessness is taken away and bound. Prosperity is released. Calm is restored. Spiritual alignment is put back in place. Healing upon him. Faith and understanding flows into him now." Next, a teaching mantle was handed to this brother and a cup to drink from which was power (he was informed). A spear was handed to him to slay unrighteousness. The accuser was gagged and dragged away in chains out of the court by two angels. The Holy Spirit was also standing there next to Jesus in the shape of a man that looked like a combination of water, light and sparkling water (hard to explain).

End of testimony.

Its one thing to forgive someone for not being honest and stealing from you, but it's another thing to take your "adversary" to the courts of Heaven to get him to pay back what is owed to you or what has been blocked from reaching you.

You can go after what was stolen in the spiritual realm that affected the physical realm, to obtain a verdict forcing the devil to release and return. This also works when we're being treated unfairly or unjustly by people in circumstances in life. Take the situation to God's court and present your case!

Many Christians go to God for things but they don't always get results. If you need healing then you must go to God as the Healer. If you need love you go to God as the Father. Most Christians get the healing, forgiving and love from God part, but when it comes to justice they ignore that part.

Go on up!

We need to go to God the Judge when we need Him as Judge. He can judge your case on your behalf and bring justice. The court of heaven is always open! No appointment needed!
